PHILOSOPHY

OPENCHRD IS

free forever

OpenChord is a non-profit project authored by people not only passionate for developing, but also for **Jesus**. It is and will **always be completely free to use**.

OPENCHRD IS

for the church

OpenChord is designed with church service in mind. It is optimized for **importing SongSelect® sheets** specifically and has **lots of other related features** as well.

OPENCHRD IS

crossplatform

OpenChord is crossplatform by-design, which means you can not only use it **on your iPad®** but also your **Windows PC** and your **Android Tablet**.
